2.2 Payment Procedure

Subject to **clause 2.3** of this agreement, during the Project Term the Trust must make one or more payments to the Grantee during each Financial Year in the amounts and at the dates specified in **Schedule 1** ("**Payment Dates**"). The Grantee must issue the Trust with a tax invoice at least 14 days prior to each Payment Date (usually 1 July and 1 January). In the event that the invoice is not received within 28 days from the Payment Date, the trustees reserve the right to cancel the payment and/or the project.

2.4 Trust funds to be Expended on an Annual Basis

The Grantee must use its best endeavours to expend all funds received from the Trust within the same Financial Year as the funds are received by the Grantee.

3. USE OF FUNDS

3.1 General Obligation

- (e) If the Trust does not notify the Grantee of its disapproval of a submitted revised Project Plan within 30 days of receipt of the Project Plan, the Trust will be deemed to have approved that Project Plan.

4.3 Sub-Contracting

Except to the extent specified in the Application, the Grantee must not sub-contract the conduct of the Project without prior written consent of the Trust. The Grantee will be responsible for any act or omission of any sub-contractor engaged by the Grantee.

Subject to **clause 4.2**, the Grantee may not vary the aims or methodology of the Project or the Project Plan without the prior written consent of the Trust. See 4.2 (c) – (e) above

The Grantee must immediately notify the Trust in writing if it receives funds in relation to the Project from any third party.

4.6 Sale or Licence of Property

If the Grantee sells, licences or otherwise disposes of any property (other than Intellectual Property) created, constructed or produced during the course of carrying out the Project, within 28 days of the date of sale the Grantee must pay the proceeds of the sale, less the Grantee's reasonable selling costs, to the Trust.

 - (iv) the provisions of **clause 16** apply.
- (b) The Trust may terminate its funding of the Project with effect at the end of any Financial Year (or such earlier date as may be agreed between the parties) with 3 months written notice to the Grantee prior to the end of the relevant Financial Year if:
 - (i) in the opinion of the Trust, the Project is unlikely to achieve the objectives, milestones or performance targets set out in the Project Plan;
 - (ii) the Trust's finances do not, in the opinion of the Trust, enable it to continue to fund the Project;
 - (iii) in the opinion of the Trust, the Project is not or has ceased to be relevant to the objectives or functions of the Trust or otherwise ceases to be of significant value to the South Australian grains industry; or
 - (iv) it would, in the opinion of the Trust, be in the best interests of the South Australian grains industry for the Trust to cease to fund the Project so as to enable the Trust to fund one or more proposed research projects that may, in the opinion of the Trust, be of exceptional benefit to the industry.

5.2 Additional Costs

Where the Trust's funding of the Project has been terminated pursuant to this clause, the Trust may reimburse the Grantee for any reasonable additional costs in connection with the Project necessarily incurred by the Grantee as a result of the early termination, but the Trust is under no obligation to do so.

6.5 Inspection by the Trust

The Grantee must permit the Trust (including any agent of the Trust) from time to time and at all reasonable times:

- (a) to inspect work being carried out in connection with the Project, and

7.4 Ownership of Reports

All reports (including a Final Report) provided to the Trust by the Grantee pursuant to this clause will become the property of the Trust free from any encumbrance or obligation of confidentiality owed to the Grantee in respect of those reports. Subject to **clause 8** of this agreement, the Trust may use such reports in any manner it considers appropriate and may provide copies of such reports to any person.

- (b) If no proportion is specified in Schedule 2, during the Project Term and within 6 months after the end of the Project Term and in any event prior to any commercial exploitation of the Intellectual Property, the Trust and the Grantee must negotiate in good faith to agree each party's share of the ownership rights and any BRR or other IP revenue resulting from the exploitation of the Intellectual Property. In negotiating each party's share in the Intellectual Property, the parties must take into account the relevant considerations set out in Schedule 2.

- (b) Where the use of the Intellectual Property for internal research purposes results in the development of further intellectual property, the Grantee and the Trust will negotiate in good faith to determine the proportion of each party's ownership in that intellectual property, in accordance with the principles set out in **clause 8.2**.

8.6 Publication with Trust's Consent

While the Trust encourages the publication of articles of an academic, scientific and technical nature intended for learned journals, the Grantee must not, without the prior written consent of the Trust, publish any article in Australia or elsewhere or otherwise publicly disclose any information constituting or relating to any Intellectual Property, if the publication or disclosure may adversely affect the exploitation, protection or commercial value of the Intellectual Property or any part of the Intellectual Property.

- (b) pay to the Trust within 28 days of the date of the sale or disposal the proceeds of the sale or disposal, less an amount equal to sum of the Grantee's contribution to the purchase price of the Capital Item and the Grantee's reasonable costs of disposal of the Capital Item.

9.8 Pre July 1993 Capital Items

This **clause 9** does not affect the rights or obligations of the Trust or the Grantee in relation to Capital Items acquired prior to 1 July 1993 by the Grantee with funds provided by the Trust. Upon the sale or disposal of such items by the Grantee, the Grantee must pay the proceeds of such sale or disposal to the Trust.

10. INSURANCE

10.1 Workers Compensation

The Grantee must maintain a workers compensation insurance policy that provides reasonably adequate cover for each Employee.

10.2 Third Party Liability

The Grantee must maintain insurance with a reputable insurer covering any liability of the Grantee or of its employees to third parties that may arise as a result of carrying out the Project.
